Event Format

REGISTER EARLY THIS EVENT WILL SELL OUT!

Two 18 Hole Competitions

1. Best Ball Gross/Net Format Rules

- Record each player's gross score on scorecard.
- The scorer's table will select one best ball net score.
- The scorer's table will select one best ball gross score that is different from their best ball net score.
- The team score for each hole is the total of net and gross balls.
- One mulligan per player/four per team maximum can be bought for an additional \$20.00.

Course Rules

- Proper golfing attire required - collared shirts, slacks, or long shorts.
- Metal spikes not permitted.

Competition Rules

- You may register as an individual or as a four person team. If registering as an individual, the Chapter will select teams based on the handicaps provided. We will balance the teams as evenly as possible.
- **Competition type must be selected at time of registration.** If you register as a team, all members must participate in the same type of competition.
- USGA rules govern play.
- Men will play from the white tees, women from the red tees.

Player names and handicaps to be confirmed in early May.

Plenty of prizes!

2. Progressive Scramble Format Rules

Men will start from the White tees and Ladies will start from the Red tees. The Blue tee markers are the farthest one will go back; Gold tee markers will NOT be used.

- If your team shoots Par or worse on a hole, your team will move forward one set of tees.
- If your team scores Birdie or better on a hole, your team will *move back* one set of tees for the next hole. For example, if the Men had just played from the White tees and the Women had played from the Red tees, the Men would move back to the Blue and Women to the White tees to start the next hole.

On Par 3's, there will be one set of tees for each gender. The Men always hit from the White and the Ladies always hit from the Reds. You then return back to the set of tees you were playing, factoring in the result from the Par 3. For example, if you were on the White tees when you reached the Par 3 and get a Birdie, you would move back to the Blue tees on the next hole.

After each member of your group has teed off from his or her respective tee, pick the best shot out of the group. All players will then hit their next shot from *within one club length* from that spot. This continues until your team has holed out.

EACH PLAYER MUST HAVE USED AT LEAST 3 DRIVES / TEE SHOTS AND IS LIMITED TO USING 6 DRIVES / TEE SHOTS ON THE DAY.

One Shot Improvement Package can be purchased per team at an additional investment of \$20.00.

Four tries per team on each item / one for each player.

Shot Improvement Package: \$20
