

Facing Homelessness is seeking new board members!

Please contact us if you have skills/experience in the following areas, and are moved, as we are, to provide innovative, community-led solutions to the crisis of people living unhoused:

- Accounting or finance
- Real estate or housing law
- Lived experience
- Personal and/or professional connection to people living unhoused
- General contracting, engineering or architecture

Board terms are three years.

We are a “Lead with Love” organization composed of individuals who believe in meeting people who live unsheltered where they are.

The healing conversation begins there. We are inviting new board members to join us in this journey.

The Facing Homelessness board is committed to equity, diversity, and inclusion, and welcomes individuals of all backgrounds!

In 2021, the Facing Homelessness Board will dedicate itself to solidifying and refining our efforts to increase our effectiveness, and to analyzing our inherent bias, white privilege, systemic racism, and the impacts of these social dynamics on both our community and organization. We invite board members who embrace, with dignity and humility, walking this path with us.

Before the Facing Homelessness Board votes whether or not to invite a prospective board member to join, the applicant must:

- Become familiar with our organization,
- Complete application materials, including a recent background check, and
- Meet with the Executive Director and board members to discuss common goals.

While we are GRATEFUL for all interest, we have limited openings and specific needs, so may need to decline very capable applicants due to those restrictions.

For more details about the role and an application, please contact Denise Rhiner, Board President, at denise@facinghomelessness.org.
